

## Employee Wallet Card

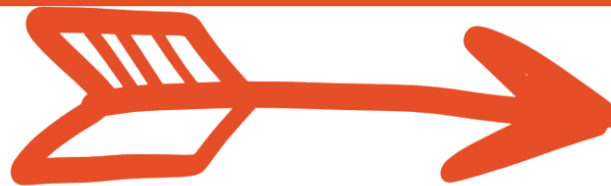

Do you need to prove your employment and/or income? No problem at all! **Morehouse Parish School Board** uses Verifent to provide verifiers (banks, mortgage companies, apartment complexes, government agencies, etc...) with employment and income verifications. As an employee/consumer, when you apply for an apartment, loan, credit card, government assistance, etc... in many cases you'll need to provide proof of your employment and/or income.

Cut out the card below, fold it over, tape it, and keep it in your wallet for easy access and reference when asked by a lender or government agency to provide proof of your information.
